

Smart Ergonomic Workspace Solutions

**FIREFLY**

# Tough Enough for 10 Years

The FIREFLY is designed to be tough. Whether it's monitoring CCTV, emergency response lines or air traffic, control-room chairs need to be exceptionally well designed and extremely durable. The Firefly heavy duty chair is designed and built for precisely this environment. With an adjustable headrest and lumbar support, 3D armrests and a synchronous swivel & tilt mechanism with integrated seat depth adjustment, this innovative chair can be adjusted to suit any operator in a 24/7 control-room. Quite simply, the Firefly has every ergonomic feature necessary for comfortable sitting. By including a 10 year warranty, the Firefly becomes a control-room chair *par excellence*.

## Features:

- Black mesh backrest with fully adjustable lumbar support.
- Synchronous mechanism with 3 locking positions and seat-depth adjustment.
- Adjustable upholstered headrest for the FIREFLY Executive option.
- Upholstered seat with high-density moulded foam.
- Gas height adjustment.
- Adjustable armrests with 3 degrees of freedom and polyurethane pad.
- 680mm diameter black nylon 5 star base with 60mm castors for improved manoeuvrability.
- 10 Year Warranty
- BIFMA Tested
