

Assembly Instructions

Ezi-Glide Disc and 5-Star Base Gaming Stools

Tooling Requirements: None

Assembly time: Approximately 10 seconds

Step 1: Insert the FOOTRING into the Ezi-Glide Disc or 5-Star Nylon Base.

Step 2: Hold the chrome footring and exert downward pressure while simultaneously giving the footring a small 'twist'.

Step 3: Insert either the fixed UPPER COLUMN (left) or GAS LIFTER (right) into the footring.

Step 4: Place the SEAT & BACKREST sub-assembly onto the upper column.

Step 5: To complete the assembly process, exert downward pressure on the seat, or simply sit on the stool to 'lock' the components together.
